remains forever.  
 For everything You do  
 beautiful in its time  
 You have made everything  
 a time for being.  
 A time for remembering,  
 a time for giving.  
 A time for loving,  
 a time for caring.  
 A time for sharing,  
 a time for reaching.  
 A time for sowing,  
 under heaven.  
 And a time for everything  
 an appointed season,  
 For everything there is  
 A time and season  
 For everything.
